

SCULLVILLE VOL. FIRE CO.

As you may or may not be aware, our company hosts the annual Terror In The Junkyard haunted maze & hayride at Fleming's Junkyard, 353 Zion Rd, in Egg Harbor Township. This event is the primary fundraiser for our volunteer organization.

Each year we not only seek volunteers interested in working the event with us, but also other non-profit organizations interested in setting up skits and/or working throughout the event. This would not only greatly assist our community fundraiser, but also be a good fundraising opportunity for you, as upon the completion of the event, we would make a monetary contribution to each organization that volunteers their time with us.

In brief, your organization would be responsible for setting up a skit somewhere along the hayride route. The theme of your display may be your choice pending the fire company's approval. You will have access to the junkyard at your convenience during the months and weeks leading up to the event, and materials may be provided by the fire company within reason. Your organization would be expected to have the skit operational by opening night with personnel available to run it every Friday, Saturday and Sunday throughout the month of October, weather permitting.

Please feel free to contact us via e-mail at secretary@scullvillefire.org with any further questions regarding responsibilities for the event, eligibility of volunteers or organizations, scheduling or general concerns you may have.

Sincerely,

Scullville Volunteer Fire Co.
Terror in the Junkyard Hayride Committee
