

SCULLVILLE VOL. FIRE CO.

As you may or may not be aware, our company hosts the annual Terror In The Junkyard haunted maze & hayride at Fleming's Junkyard, 353 Zion Rd, in Egg Harbor Township. This event is the primary fundraiser for our volunteer organization.

We are seeking assistance with from local organizations within the community that are able to volunteer with staffing our parking areas. Responsibilities would include directing traffic into the event and to designated parking rows in the lot.

The event runs every Friday, Saturday and Sunday throughout the month of October, weather permitting. There is no obligation or number of nights required, however, we would like to assign groups in full night blocks and ask that you plan on working a full night (approx. 6p - 11pm). If a group of your members would be willing to help, we would provide a monetary donation to your organization at the conclusion of our event based on the number of nights you complete.

Enclosed is a list of the nights to choose from, please advise which, if any, you are willing to provide staffing for and reply via e-mail at secretary@scullvillefire.org Feel free to contact us with any further questions regarding responsibilities for the event, scheduling, or general concerns you may have.

Sincerely,

Scullville Volunteer Fire Co.
